

I'll Try Tomorrow

Here I am! I wanted to say
The girl that comes here everyday
I wanted to talk and be a part of you
And show you everything that I can do
But I sat here quietly day after day
Not knowing why I can't ask you to play
I wish I had the strength to try
But, it was just too hard, (I was too shy)
You use to ask me many times to play
But I couldn't answer I turned away
I wanted to smile and join in the fun
But I remained silent (I wanted to run)
I know I'm different but I want to be like you
But it's the hardest thing for me to do
Now the day is over and my heart is filled with sorrow
For I couldn't speak again today, I guess
I'll try tomorrow.....
