

## **Clinical Perspectives on the Treatment of Selective Mutism**

**By Robert L. Schum, Ph.D.**

Dr. Schum has generously granted SMG permission to provide a link to his article, which we believe is of tremendous value to our readers:

Schum, R. (2006). Clinical perspectives on the treatment of selective mutism. *Journal of Speech-Language Pathology and Applied Behavioral Analysis*, 1(2), 149-163.

His article can be accessed by the following link:
